

PRESS RELEASE

Today was Fun launches the Tea & Philosophy Teastack™.

Today was Fun introduces the Tea and Philosophy Teastack™, the stacking tin tea caddy that's filled with our four delicious organic loose leaf tisanes. Each re-sealable layer comes wrapped in our unique philosophy on how to find Happiness, Friendship, Inspiration and Sleepiness. With its primary colours, the caddy is set to take a permanent place on your kitchen shelf.

This boldly coloured Teastack™ holds 30g each of Happiness and Inspiration Tea and 20g of Friendship and Sleepy Tea. All teas are sealed in cellophane bags and are certified organic by the Soil Association. What could be a better present for friends?

“People have told us for a long time that our teas look so good on their kitchen shelf. The only problem was they didn't want to open them and we have now designed something that allows people to try our teas, choose their favourite and then put it back together without anyone ever knowing,” comments Sharyn Wortman, ‘Tea Lady’ for Today was Fun.

And what happens when the tea runs out? You simply fill it up with your favourite teas, all sold separately. RRP: £13.95
